§ 604. Fraudulent claims

If a contractor is unable to support any part of his claim and it is determined that such inability is attributable to misrepresentation of fact or fraud on the part of the contractor, he shall be liable to the Government for an amount equal to such unsupported part of the claim in addition to all costs to the Government attributable to the cost of reviewing said part of his claim. Liability under this subsection¹ shall be determined within six years of the commission of such misrepresentation of fact or fraud.

(Pub. L. 95-563, § 5, Nov. 1, 1978, 92 Stat. 2384.)

§ 605. Decision by contracting officer**(a) Contractor claims**

All claims by a contractor against the government relating to a contract shall be in writing and shall be submitted to the contracting officer for a decision. All claims by the government against a contractor relating to a contract shall be the subject of a decision by the contracting officer. Each claim by a contractor against the government relating to a contract and each claim by the government against a contractor relating to a contract shall be submitted within 6 years after the accrual of the claim. The preceding sentence does not apply to a claim by the government against a contractor that is based on a claim by the contractor involving fraud. The contracting officer shall issue his decisions in writing, and shall mail or otherwise furnish a copy of the decision to the contractor. The decision shall state the reasons for the decision reached, and shall inform the contractor of his rights as provided in this chapter. Specific findings of fact are not required, but, if made, shall not be binding in any subsequent proceeding. The authority of this subsection shall not extend to a claim or dispute for penalties or forfeitures prescribed by statute or regulation which another Federal agency is specifically authorized to administer, settle, or determine. This section shall not authorize any agency head to settle, compromise, pay, or otherwise adjust any claim involving fraud.

(b) Review; performance of contract pending appeal

The contracting officer's decision on the claim shall be final and conclusive and not subject to review by any forum, tribunal, or Government agency, unless an appeal or suit is timely commenced as authorized by this chapter. Nothing in this chapter shall prohibit executive agencies from including a clause in government contracts requiring that pending final decision of an appeal, action, or final settlement, a contractor shall proceed diligently with performance of the contract in accordance with the contracting officer's decision.

¹ See References in Text note below.

¹ So in original. Probably should be "section".

(c) Amount of claim; certification; notification; time of issuance; presumption

(1) A contracting officer shall issue a decision on any submitted claim of \$100,000 or less within sixty days from his receipt of a written request from the contractor that a decision be rendered within that period. For claims of more than \$100,000, the contractor shall certify that the claim is made in good faith, that the supporting data are accurate and complete to the best of his knowledge and belief, that the amount requested accurately reflects the contract adjustment for which the contractor believes the government is liable, and that the certifier is duly authorized to certify the claim on behalf of the contractor.

(2) A contracting officer shall, within sixty days of receipt of a submitted certified claim over \$100,000—

(A) issue a decision; or

(B) notify the contractor of the time within which a decision will be issued.

(3) The decision of a contracting officer on submitted claims shall be issued within a reasonable time, in accordance with regulations promulgated by the agency, taking into account such factors as the size and complexity of the claim and the adequacy of the information in support of the claim provided by the contractor.

(4) A contractor may request the tribunal concerned to direct a contracting officer to issue a decision in a specified period of time, as determined by the tribunal concerned, in the event of undue delay on the part of the contracting officer.

(5) Any failure by the contracting officer to issue a decision on a contract claim within the period required will be deemed to be a decision by the contracting officer denying the claim and will authorize the commencement of the appeal or suit on the claim as otherwise provided in this chapter. However, in the event an appeal or suit is so commenced in the absence of a prior decision by the contracting officer, the tribunal concerned may, at its option, stay the proceedings to obtain a decision on the claim by the contracting officer.

(6) The contracting officer shall have no obligation to render a final decision on any claim of more than \$100,000 that is not certified in accordance with paragraph (1) if, within 60 days after receipt of the claim, the contracting officer notifies the contractor in writing of the reasons why any attempted certification was found to be defective. A defect in the certification of a claim shall not deprive a court or an agency board of contract appeals of jurisdiction over that claim. Prior to the entry of a final judgment by a court or a decision by an agency board of contract appeals, the court or agency board shall require a defective certification to be corrected.

(7) The certification required by paragraph (1) may be executed by any person duly authorized to bind the contractor with respect to the claim.

(d) Alternative means of dispute resolution

Notwithstanding any other provision of this chapter, a contractor and a contracting officer may use any alternative means of dispute resolution under subchapter IV of chapter 5 of title

5, or other mutually agreeable procedures, for resolving claims. The contractor shall certify the claim when required to do so as provided under subsection (c)(1) of this section or as otherwise required by law. All provisions of subchapter IV of chapter 5 of title 5 shall apply to such alternative means of dispute resolution.

(e) Termination of authority to engage in alternative means of dispute resolution; savings provision

In any case in which the contracting officer rejects a contractor's request for alternative dispute resolution proceedings, the contracting officer shall provide the contractor with a written explanation, citing one or more of the conditions in section 572(b) of title 5 or such other specific reasons that alternative dispute resolution procedures are inappropriate for the resolution of the dispute. In any case in which a contractor rejects a request of an agency for alternative dispute resolution proceedings, the contractor shall inform the agency in writing of the contractor's specific reasons for rejecting the request.

(Pub. L. 95-563, §7, Nov. 1, 1978, 92 Stat. 2385.)

§ 607. Agency boards of contract appeals

(a) Establishment; consultation; Tennessee Valley Authority

(1) An Armed Services Board of Contract Appeals may be established within the Department of Defense when the Secretary of Defense, after consultation with the Administrator, determines from a workload study that the volume of contract claims justifies the establishment of a full-time agency board of at least three members who shall have no other inconsistent duties. Workload studies will be updated at least once every three years and submitted to the Administrator.

(2) The Board of Directors of the Tennessee Valley Authority may establish a board of contract appeals for the Authority of an indeterminate number of members.

(b) Appointment of members; chairman; compensation

(1) The members of the Armed Services Board of Contract Appeals shall be selected and appointed to serve in the same manner as administrative law judges appointed pursuant to section 3105 of title 5, with an additional requirement that such members shall have had not fewer than five years' experience in public contract law. Full-time members of such Board serving as such on the effective date of this chapter shall be considered qualified. The chairman and vice chairman of such Board shall be designated by the Secretary of Defense from members so appointed. Compensation for the chairman, the vice chairman, and all other members of such Board shall be determined under section 5372a of title 5.

(2) The Board of Directors of the Tennessee Valley Authority shall establish criteria for the appointment of members to its agency board of contract appeals established in subsection (a)(2) of this section, and shall designate a chairman of such board. The chairman and all other members of such board shall receive compensation, at the daily equivalent of the rates determined under section 5372a of title 5, for each day they are engaged in the actual performance of their duties as members of the board.

(c) Postal Service Board of Contract Appeals

There is established an agency board of contract appeals to be known as the "Postal Service Board of Contract Appeals". Such board shall have jurisdiction to decide any appeal from a decision of a contracting officer of the United

States Postal Service or the Postal Regulatory Commission relative to a contract made by either agency. Such board shall consist of judges appointed by the Postmaster General who shall meet the qualifications of and serve in the same manner as members of the Civilian Board of Contract Appeals. This chapter shall apply to contract disputes before the Postal Service Board of Contract Appeals in the same manner as they apply to contract disputes before the Civilian Board.

(d) Jurisdiction

The Armed Services Board shall have jurisdiction to decide any appeal from a decision of a contracting officer of the Department of Defense, the Department of the Army, the Department of the Navy, the Department of the Air Force, or the National Aeronautics and Space Administration relative to a contract made by that department or agency. The Civilian Board shall have jurisdiction to decide any appeal from a decision of a contracting officer of any executive agency (other than the Department of Defense, the Department of the Army, the Department of the Navy, the Department of the Air Force, the National Aeronautics and Space Administration, the United States Postal Service, the Postal Regulatory Commission, or the Tennessee Valley Authority) relative to a contract made by that agency. Each other agency board shall have jurisdiction to decide any appeal from a decision of a contracting officer relative to a contract made by its agency. In exercising this jurisdiction, the agency board is authorized to grant any relief that would be available to a litigant asserting a contract claim in the United States Court of Federal Claims.

(e) Decisions

An agency board shall provide to the fullest extent practicable, informal, expeditious, and inexpensive resolution of disputes, and shall issue a decision in writing or take other appropriate action on each appeal submitted, and shall mail or otherwise furnish a copy of the decision to the contractor and the contracting officer.

(f) Accelerated appeal disposition

The rules of each agency board shall include a procedure for the accelerated disposition of any appeal from a decision of a contracting officer where the amount in dispute is \$100,000 or less. The accelerated procedure shall be applicable at the sole election of only the contractor. Appeals under the accelerated procedure shall be resolved, whenever possible, within one hundred and eighty days from the date the contractor elects to utilize such procedure.

(g) Review

(1) The decision of an agency board of contract appeals shall be final, except that—

(A) a contractor may appeal such a decision to the United States Court of Appeals for the Federal Circuit within one hundred twenty days after the date of receipt of a copy of such decision, or

(B) the agency head, if he determines that an appeal should be taken, and with the prior approval of the Attorney General, transmits

the decision of the board of contract appeals to the Court of Appeals for the Federal Circuit for judicial review under section 1295 of title 28, within one hundred and twenty days from the date of the agency's receipt of a copy of the board's decision.

(2) Notwithstanding the provisions of paragraph (1), the decision of the board of contract appeals of the Tennessee Valley Authority shall be final, except that—

(A) a contractor may appeal such a decision to a United States district court pursuant to the provisions of section 1337 of title 28, within one hundred twenty days after the date of receipt of a copy of such decision, or

(B) The Tennessee Valley Authority may appeal the decision to a United States district court pursuant to the provisions of section 1337 of title 28, within one hundred twenty days after the date of the decision in any case.

(3) An award by an arbitrator under this chapter shall be reviewed pursuant to sections 9 through 13 of title 9, except that the court may set aside or limit any award that is found to violate limitations imposed by Federal statute.
